WE GUIDE YOU IN
YOUR CHOICE

FiddAsia Advisory is a consulting company in private management offering services to Expatriates of all nationality in Thailand and the South East Asia region through a network of independent consultant.

Consulting services range from local and regional investment in properties, established companies and start-ups, B2B, sustainable economy and "à la carte" solution...

HOW IT ALL STARTED

FiddAsia is the result of field experience over 30 years in expatriation, traveling around the globe mainly in Asia and the observation of the overall development needs of all expatriates regardless of their country of origin

FiddAsia Estate

Building up your wealth, the property still remains an unquestionable asset value that also generates additional income. Invest in luxury property, yield real estate, bare ownership, REITS – SCPI, or others.
